GOODYEAR® ULTRA SPRAYER™

Since 1898
GOODYEAR
Farm Tires
Made by Titan

TITAN MOVES THE WORLD OF AGRICULTURE

GOODYEAR® ULTRA SPRAYER™

DESIGNED FOR SPRAYER APPLICATION TO DELIVER FIRST-IN-CLASS PERFORMANCE TO THE FARMER

- Increased bruise resistance because of the heavy-duty belt package
- Better load dispersion due to massive reinforced lug design
- Smoother ride due to the wide flat lug design
- Improved road wear and ride due to the wide flat lug design and swept lug angles
- Reduced lug squirm with the increased lug bracing
- Improved lug durability because of the increased lug surface area
- Increased stability from the large shoulder buttresses
- Better durability than a standard R1 tire due to a reinforced carcass designed specifically for sprayer application
- Improved lower sidewall durability from the up/down construction of the body plies around the bead
- Reduced chafing and increased lateral stability due to the hard rubber insert
- Better air retention from the enhanced bead shape and butyl liner

ULTRA SPRAYER LINEUP

CAT #	TIRE SIZE	LOAD INDEX	LOAD CAPACITY/ INFLATION	OD (in)	Width (in)
4US7T5	320/90R46	156A8/B	8,800 lb @ 70 psi	68.7	12.6
4US8V6	320/90R50	161A8/B	10,200 lb @ 78 psi	72.7	12.6
4US443	320/90R54	149A8/B	7,150 lb @ 46 psi	76.7	12.6
4US7MN	320/105R54	166A8/B	11,700 lb @ 75 psi	80.5	12.6
4USH32	380/90R46	156A8/B	8,800 lb @ 49 psi	72.0	15.2
4US032	380/90R46	168A8/B	12,300 lb @ 78 psi	72.0	15.2
4US6JR	380/90R50	166A8/B	11,700 lb @ 70 psi	76.9	14.9
4US7V9	380/90R54	170A8/B	13,200 lb @ 75 psi	80.9	14.9
4US7DT	380/105R50	170A8/B	13,200 lb @ 70 psi	80.9	14.9

Note: Approved for speeds up to 30 miles an hour
