

Swing-Away Trailer Brake Actuators

Available for Titan Actuator Models

- Aero 7500 (trailers up to 7,500 lbs.)
- 3x5 or 3x4 tongue (3x4 kit needed)

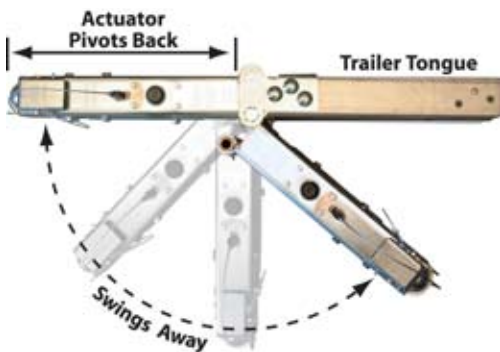

AERO 7500

Pivoting trailer brake actuators for smaller storage areas

- Get the same outstanding quality and performance of Titan's Surge Brake Actuators with the new swing-away feature, making trailer storage even easier.
- Titan's swing-away feature enables a trailer to be stored in a smaller enclosed area by pivoting the actuator back, thereby shortening the trailer tongue.
- The perfect solution for storing a boat in a smaller garage
- For use with trailer weight capacities up to 7,500 lbs.
- Available for both weld-on or bolt-on models
- Can swing either right or left
- Unique design reduces installation time and labor
- Backed by Titan's one-year limited warranty
